Dear Shareholder

Approval of waiver under Rule 9 of the Takeover Code

This document concerns a renewal of the approval of a waiver under Rule 9 of the Takeover Code, a resolution for which was approved last year by Independent Shareholders at the Company's general meeting held on 16 January 2014. At that date the number of Ordinary Shares in issue was 1,322,287. On 13 May 2014 the Company purchased and cancelled 12,241 Ordinary Shares. No shares have been purchased by the Concert Party or issued since that date and no options have been granted or exercised. Therefore the Company currently has 1,310,046 Ordinary Shares in issue.

1. Introduction

The Cardiff Property plc is involved in the investment in and development of a property portfolio in the south of England. The Group, including Campmoss, manages the primarily Thames Valley based property portfolios, which are currently predominantly let. The Group is well placed to take advantage of any upturn in the property market, having cash deposits giving it the ability to react quickly to opportunities as they arise. In addition, Campmoss has a development portfolio.

At the Company's Annual General Meeting to be held on 22 January 2015 at 12:00 noon, Shareholders will be asked to renew the Company's authority to purchase up to 14.99 per cent. of its Issued Share Capital (in this instance representing 196,375 Ordinary Shares) ("the Authority"). In the event that the Authority is renewed and during the period of the Authority, being the period from the Annual General Meeting in 2015 to the earlier of the Annual General Meeting in 2016 or 15 April 2016, the Company purchases all or some such Ordinary Shares for cancellation or treasury, the Ordinary Shares currently held by members of the Concert Party (which comprises myself, Richard Wollenberg, and my family) could, in aggregate, comprise anything between approximately 42.85 per cent. and a maximum of approximately 50.40 per cent. of the remaining Ordinary Shares in issue. This would oblige the Concert Party to make a mandatory offer for the remaining Ordinary Shares in issue not then owned by the Concert Party under Rule 9 and Rule 37 of the Takeover Code, unless a specific waiver of such obligation is obtained from the Panel and approved on a poll by the Independent Shareholders.

Subject to the renewal of approval of the Resolution by the Independent Shareholders on a poll, the Panel has agreed to waive this obligation in the event that the Concert Party's aggregate holding of 561,298 Ordinary Shares increases to a maximum of approximately 50.40 per cent. (assuming that the Concert Party does not participate in the buyback), provided that any increase in such holding arises only as a result of the Company purchasing up to 196,375 of the issued Ordinary Shares pursuant to the Authority. The Concert Party currently holds 561,298 Ordinary Shares representing approximately 42.85 per cent. of the current Issued Share Capital.

The purpose of this document is to explain why the Independent Directors consider that these waivers are in the best interests of the Company and its Independent Shareholders as a whole and to seek renewal of the approval of the Independent Shareholders for such waiver.

2. Background to and reasons for the share buyback

Your Board believes that the purchase by the Company of its own Ordinary Shares may represent a good use of the Company's available cash resources and, by increasing earnings per share and net asset value per share, may maximise Shareholder value.

Your Board also believes that the Company currently has sufficient resources for the purchase of up to 196,375 of the Issued Share Capital that may be made pursuant to the Authority following the Independent Shareholders' approval that is now sought.

The maximum price (exclusive of any expenses to be paid on any purchase of an Ordinary Share) which will be paid by the Company for any Ordinary Share purchased by it pursuant to the Authority will not be greater than 5 per cent. above the average middle market price of an Ordinary Share as derived from the daily official list of the London Stock Exchange for the ten business days immediately preceding the date of the purchase. The minimum price (exclusive of any such expenses) will be 20 pence (being the nominal value of an Ordinary Share). Any Ordinary Shares purchased in this way will either be cancelled and the number of Ordinary Shares in issue reduced accordingly, or will be held in treasury.

Details of all dealings in Ordinary Shares by members of the Concert Party during the last 12 months and the interests of members of the Concert Party in Ordinary Shares (including Ordinary Shares in respect of which outstanding options have been granted to members of the Concert Party) are set out in Part II of this document.

3. The Takeover Code

The share buyback gives rise to certain considerations under the Takeover Code. Brief details of the Panel, the Takeover Code and the protections they afford are set out below. The Takeover Code is issued and administered by the Panel. The Takeover Code applies to all takeover and merger transactions, however effected, where the offeree company is, *inter alia*, a listed or unlisted public company with its registered office and its place of central management and control in the United Kingdom. The Company is such a company and its Shareholders are entitled to the protections afforded by the Takeover Code.

Under Rule 9 of the Takeover Code ("Rule 9"), where any person acquires, whether by a single transaction or a series of transactions over a period of time, interests in securities which (taken together with securities in which he is already interested and in which persons acting in concert with him are interested) carry 30 per cent. or more of the voting rights of a company which is subject to the Takeover Code, that person is normally required by the Panel to make a general offer to all the remaining shareholders of that company to acquire their shares. Similarly, when any person individually or a group of persons acting in concert, already holds interests in securities which in aggregate carry not less than 30 per cent. of the voting rights of such a company but does not hold shares carrying more than 50 per cent. of such voting rights, that person may not normally acquire further securities without making a general offer to the shareholders of that company to acquire their shares. An offer under Rule 9 must be made in cash and at the highest price paid by the person required to make the offer, or any person acting in concert with him, for any interest in shares of the company during the 12 months prior to the announcement of the offer.

Under Rule 37 of the Takeover Code any increase in the percentage of shares carrying voting rights held by a shareholder or persons acting in concert with the shareholder resulting from the purchase by the company of its own shares will be treated as an acquisition for the purpose of Rule 9. For the purposes of the Takeover Code, J R Wollenberg together with his Connected Persons and other persons acting in concert with him, full details of whom are set out in paragraph 2.2 of Part II of this document, form the Concert Party. As the Concert Party is currently beneficially interested in 561,298 Ordinary Shares, representing approximately 42.85 per cent. of the Issued Share Capital and the members of the Concert Party have previously been and are regarded by the Panel to be acting in concert, any exercise of the Authority to buyback issued Ordinary Shares could result in the Concert Party being obliged under Rule 9 of the Takeover Code to make an offer for the remaining Ordinary Shares then in issue and not already owned by them. If 196,375 of the issued Ordinary Shares (being the maximum number of Ordinary Shares which could be purchased by the Company pursuant to the Authority) were to be purchased by the Company, the Concert Party's aggregate holding, and maximum interest, would comprise approximately 50.40 per cent. of the remaining issued Ordinary Shares.

The Panel has agreed, subject to renewal of the approval by Independent Shareholders voting on a poll on the Resolution to be proposed at the General Meeting, to waive this obligation in the event that the Concert Party's aggregate holding of 561,298 Ordinary Shares increases to a maximum of approximately 50.40 per cent., provided that any increase in such holding arises only as a result of the Company purchasing back up to 196,375 of the issued Ordinary Shares pursuant to the Authority and assuming that the Concert Party does not participate in the buyback. No member of the Concert Party will be entitled to vote on the Resolution and accordingly no member of the Concert Party will do so.

Following the repurchase of shares the Concert Party may hold more than 50 per cent. of the Company's voting share capital (if the Authority is exercised in full by the Company) and may be able to increase its aggregate shareholding in the Company without incurring any obligation under Rule 9 to make a general offer to the Company's other Shareholders. Under the Takeover Code, whilst each member of the Concert Party continues to be treated as acting in concert, each member will be able to increase further his respective percentage shareholding in the voting rights of the Company without incurring an obligation under Rule 9 to make a general offer to Shareholders to acquire the entire issued share capital of the Company. However, individual members of the Concert Party will not be able to increase their percentage shareholding through or between a Rule 9 threshold, without the consent of the Panel.

If the Company does not exercise its Authority in full, and only exercises its Authority up a maximum of buying back 187,449 Ordinary Shares during the period from the Annual General Meeting in 2015 to the earlier of the Annual General Meeting in 2016 or 15 April 2016, the members of the Concert Party will between them be interested in Ordinary Shares carrying 30 per cent. or more of the Company's voting share capital but will not hold Ordinary Shares carrying more than 50 per cent. of such voting rights and as long as they continue to be treated as acting in concert any further increase in that aggregate interest in Ordinary Shares will be subject to the provisions of Rule 9 of the Takeover Code.

4. The Concert Party

The Concert Party consists of myself and my immediate family, full details of which are given in Part II on page 7 of this document.

5. General Meeting

You will find set out at the end of this document a notice convening the General Meeting to be held at the offices of The Cardiff Property plc, 56 Station Road, Egham, Surrey TW20 9LF at 12:15 p.m. on 22 January 2015 (or, if later, immediately following the Annual General Meeting to be held on that date).

The Resolution to be proposed at the GM is an ordinary resolution, to be taken on a poll by Independent Shareholders, to approve the waiver by the Panel on Takeovers and Mergers of any requirement under Rule 9 of the Takeover Code for myself and persons deemed to be acting in concert with me under the Takeover Code ("the Concert Party") to make a general offer to Shareholders of the Company to acquire their Ordinary Shares in the Company arising as a result of market purchases by the Company of up to 196,375 Ordinary Shares in the capital of the Company, during the period from the Annual General Meeting in 2015 to the earlier of the Annual General Meeting in 2016 or 15 April 2016, pursuant to the authority to be sought at the Company's AGM to be held on 22 January 2015, which would have the effect of increasing the Concert Party's aggregate interest to a maximum of approximately 50.40 per cent. of the voting rights of the Company.

No members of the Concert Party will vote on the Resolution.

6. Action to be taken

Shareholders will find enclosed with this document a Form of Proxy for use in connection with the General Meeting. The Form of Proxy should be completed and returned in accordance with the instructions thereon so as to be received by the Company at 56 Station Road, Egham, Surrey TW20 9LF as soon as possible and in any event not later than 48 hours before the time of the GM. Completion and return of the Form of Proxy will not prevent an Independent Shareholder from attending and voting at the meeting should he/she so wish.

7. Additional Information

Your attention is drawn to the additional information set out in Part II of this document. Shareholders are advised to read the whole of this document and not rely solely on the summary information presented in this letter.

8. Recommendation

The Independent Directors, who have been so advised by Beaumont Cornish, believe the Rule 9 waiver described in the Resolution to be fair and reasonable and to be in the best interests of Independent Shareholders and the Company as a whole. In providing advice to the Independent Directors, Beaumont Cornish has taken into account the Independent Directors' commercial assessment.

Beaumont Cornish is the AIM Nominated Adviser to Galileo Resources Plc of which J R Wollenberg is a non-executive director and 3.37 per cent. shareholder (including close relatives). In addition, Beaumont Cornish is the financial adviser to General Industries plc of which J R Wollenberg is the non-executive Chairman and 19.51 per cent. beneficial shareholder (including close relatives). However, Beaumont Cornish confirms that it is independent of the Company.

Accordingly, the Independent Directors unanimously recommend Independent Shareholders to vote in favour of the Resolution as the Independent Directors intend so to do in respect of their beneficial shareholdings amounting to 8,500 Ordinary Shares representing approximately 0.65 per cent. of the Issued Share Capital. As a member of the Concert Party I will not vote on the Resolution.

J R Wollenberg
Chairman

Notes

1. A member entitled to attend and vote at the above meeting is entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on his/her behalf at the meeting. A proxy need not be a member of the Company.
2. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy you may photocopy the form of proxy. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.
3. A form of proxy is enclosed with this notice. Forms of proxy, to be valid, must be delivered to the Company's offices at 56 Station Road, Egham, Surrey TW20 9LF in accordance with the instructions printed thereon, not less than 48 hours before the time appointed for the holding of the meeting.
4. If you are not a member of the Company but you have been nominated under section 146 of the Companies Act 2006 (the 'Act') by a member of the Company to enjoy information rights, you do not have the rights of members in relation to the appointment of proxies set out in notes 1, 2 and 3. The rights described in those notes can only be exercised by members of the Company.
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
6. The resolution set out in this notice will be taken by Independent Shareholders on a poll in accordance with the requirements of the Panel on Takeovers and Mergers for dispensation from Rule 9 of the Takeover Code and the Concert Party (as defined in the Circular) will not vote on the resolution.
7. Information regarding the meeting, including the information required by section 311A of the Act, is available from the Company's website, www.cardiff-property.com.
8. As provided by Regulation 41 of the Uncertificated Securities Regulations 2001, only those members registered in the register of members of the Company 48 hours before the time set for the meeting shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
9. As at 16:00 hours on 25 November 2014, the Company's issued share capital comprised 1,310,046 ordinary shares of 20 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company at 16:00 hours on 25 November 2014 is 1,310,046.
10. Under section 319A of the Act, the Company must answer any question you ask relating to the business being dealt with at the meeting unless (a) answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
11. If you are a person who has been nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person'), you may have a right under an agreement between you and the member of the Company who has nominated you to have information rights ('Relevant Member') to be appointed or to have someone else appointed as a proxy for the meeting. If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Member to give instructions to the Relevant Member as to the exercise of voting rights. Your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.
